

The Harrison Group, Inc.

Keeping Pace with Technology Makes a Positive Impact on Custom Benefit Plans

Though many of you have worked with us during the past several years, you may not know much about the technology that we utilize. Some of the technology additions and improvements the [Harrison Group](#) has implemented within the last few years include:

<u>New Technology</u>	<u>Advantage</u>
1. Electronic enrollment	1. Helps eliminate paper and reduces time
2. Electronic claims submission	2. Streamlines the claims process
3. Direct deposit of employee reimbursements	3. Employees receive their funds more quickly
4. Pre-and-post tax Debit Card reimbursement of mass transit expenses	4. Allows employee to use one card when paying for mass transit costs
5. New and improved website	5. More information and easier to use

*To find out about how The Harrison Group can help you design, administer and implement customized benefit plans backed by unprecedented customer service, call The Harrison Group President **Rich Miller** at **610-853-9075** or email rmiller@theharrisingrouponline.com.*
