HG ADVANTAGE CARD

How do I get a card?

We'll automatically mail you two cards to the address listed in your account the first time you enroll. Both cards will include the employee's name. Activate your card by calling the toll free number. Your spouse may sign his or her name on back of the second card and present it with his/her ID to use it.

Additional cards?

You may request additional debit cards for your spouse or dependents by calling our office.

Lost or stolen cards?

If your debit card is lost or stolen, call us to report it or use your online portal or mobile app. Replacement cards are free of charge.

Expiring debit card?

We will automatically mail you a new debit card 30 or more days prior to your expiration date.

While the IRS requires documentation for certain spending and reimbursement benefits, we automate some of that substantiation through:

- ✓ **IIAS approval** -If a merchant uses the Inventory Information Approval System, the debit card will automatically approve eligible expenses.
- ✓ **Copayments** -If your employer provides us with copayment amounts for your insurance plans, we can auto-approve expenses that match these copayment amounts.
- ✓ **Recurring claims** -If you use your debit card for a purchase that requires substantiation, once the claim has been approved and you make that same purchase for the same dollar amount at that merchant, the recurring claim will be automatically approved.

Your FSA is a powerful way to save money on eligible expenses, but it's important to understand the rules that apply.

FSA RULES & REMINDERS

Use-It-or-Lose-It Rule

- FSAs are designed to cover expenses during your plan year.
- Any funds not used by the deadline may be forfeited.
- Check your specific plan details to know if your Healthcare or Limited Purpose FSA includes a carryover or grace period option.

Eligible Expenses Only

- All reimbursements must be for IRS-approved medical, dental, vision, or dependent care expenses.
- ALWAYS SAVE YOUR RECEIPTS! Even when you use your HG Advantage Card, the IRS may require documentation.

Claim Deadlines

- Claims must be submitted by your plan's runout deadline.
- Runout periods allow extra time to submit claims for expenses you incurred during the plan year.
- You can check your plan's exact deadlines in your portal or on your employer's benefit materials.

Employment Changes

- If you leave your job or lose eligibility, your FSA usually ends on that date.
- You may only claim expenses incurred before your last day of coverage, unless you elect COBRA (if applicable).

TIPS TO MAXIMIZE YOUR FSA

- Plan ahead for routine expenses like dental visits, glasses, prescriptions, or child care.
- Schedule preventive care before your plan year ends.
- Sign up for Direct Deposit to get reimbursed faster.

YOUR GUIDE TO FLEXIBLE SPENDING ACCOUNTS

WHAT IS AN FSA??

Flexible Spending Accounts (FSAs) offer more than just healthcare savings—did you know there are two common types, each serving a unique purpose?

These pre-tax benefit plans help you lower your taxable income by setting aside pre-tax dollars for essential expenses. Whether it's healthcare or dependent care, FSAs provide a smart way to manage everyday costs while saving on taxes.

Healthcare FSA

allows reimbursement of qualifying out-of-pocket medical expenses.

Dependent Daycare FSA

allows reimbursement for eligible dependent care expenses.

With both types of FSAs, you'll receive access to a secure, easy-to-use web portal where you can track your account balance, view your claims history, and submit requests for reimbursements.

FSA ELIGIBILITY

Anyone whose employer offers an FSA can participate, including employees not covered under the employer's health plan. Your employer may exclude certain types of employees such as part-time, seasonal or temporary. Ask your employer benefits team to verify eligibility. Self-employed individuals cannot participate in an FSA.

A **Flexible Spending Account (FSA)** helps you increase your take-home pay and save on taxes by using pre-tax dollars for eligible out-of-pocket expenses. You can then access these funds easily with our HG Advantage Card.

With an FSA, you elect to have your annual contribution deducted from your paycheck each pay period in equal installments throughout the year, until you reach the yearly maximum you have specified. The amount of your pay that goes into an FSA will not count as taxable income, so you will have immediate tax savings. FSA dollars can be used during the plan year to pay for qualified expenses and services.

BENEFITS OF AN FSA

A Flexible Spending Account (FSA) lets you budget and manage your eligible expenses. Your FSA funds are put aside before taxes, which means more money in your pockets.

Enjoy significant tax savings with pre-tax deductible contributions and tax-free reimbursements for eligible expenses.

Quickly and easily access funds using our HG Advantage Card.

Request reimbursement for claims easily online or via Mobile App, and receive reimbursements to your bank account or via check.

Enjoy secure access to your accounts using our convenient online Employee Participant Portal, available 24/7/365.

Manage your FSA "on the go" with our easy to use Mobile App.

Get one-click answers to benefits questions using the many resources available on theharrisingrouponline.com website.

DID YOU KNOW?? YOU CAN USE YOUR HEALTHCARE FSA FOR OVER-THE-COUNTER PRODUCTS!

Healthcare FSAs now include many **OVER THE COUNTER** medications as eligible expenses. So those regular purchases of pain relievers, allergy and sinus medications, heartburn relief, bandages, and more can now all be purchased with your FSA funds. Also, menstrual care products are eligible!

IS AN FSA RIGHT FOR ME??

HEALTHCARE FSA

COULD SAVE YOU MONEY IF YOU OR YOUR FAMILY MEMBERS:

- have out-of-pocket expenses like co-pays, coinsurance, or deductibles for medical, dental or vision plans, or use prescription medications
- make regular purchases of over-the-counter items like pain relievers, allergy, and cold medications, or feminine care products
- wear glasses or contact lenses, or are planning Lasik surgery
- need orthodontia care, such as braces, or have dental expenses not covered by insurance

HEALTHCARE FSA

2025 PLAN YEAR IRS LIMIT = \$3,300

**Employer determines employee maximum annual contribution limit.*

DEPENDENT DAYCARE FSA

COULD SAVE YOU MONEY IF YOU (AND YOUR SPOUSE, IF MARRIED) ARE WORKING, OR IN SCHOOL, AND:

- your dependent children (under age 13) attend daycare or after-school care
- your dependent children (under age 13) attend preschool or summer day camp
- you provide care for a person (any age) whom you claim as a dependent on your federal tax return and who is mentally or physically incapable of caring for himself or herself

DEPENDENT DAYCARE FSA

2025 CALENDAR YEAR IRS LIMIT = \$5,000

(\$2,500 FOR MARRIED FILING SEPARATE)

WHAT ARE COMMUTER BENEFITS?

Signing up for Commuter Benefits is a great way to help you reduce the cost of commuting to and from, and parking at your workplace.

When you participate in a Commuter Benefits account, you elect a monthly amount to be withdrawn from your paycheck, up to a maximum of **\$325 per month**, per account. The amount of your pay that goes into your Commuter Benefits account will not count as taxable income, so you will have immediate tax savings!

Your commuter account dollars can be used during the plan year to pay for mass transit and parking costs associated with travel between your residence and your place of employment.

With our convenient HG Advantage Card, employees may purchase commuter travel passes right at the transit station!

All of our pre-tax spending accounts may be accessed via your online employee portal with one login. You can also utilize our easy Mobile App for information at the touch of your fingertips!

Did you know that Pre-Tax Spending Accounts can also help with your commute? With Commuter Benefits, you can take advantage of two types of accounts that let you **SAVE** on transportation costs to and from work!

MASS TRANSIT

accounts allow you to be reimbursed for costs associated with a commuter highway vehicle or mass transit for travel between your residence and your place of employment. This includes the train, bus, ferry, subway, or a combination of these options.

PARKING

accounts allow you to be reimbursed for costs associated with parking expenses at or near work, or park-and-ride facilities. You can also use SpotHero to reserve or pre-pay for parking spots in select cities

You can use our convenient HG Advantage Card to pay for these expenses.

THE FLEXIBILITY YOU NEED

The Harrison Group's Commuter Benefits program allows employees the flexibility to change their election during the Plan Year. Any unused balances roll over from month to month and remain available for future purchases.

PLANNING AHEAD

Before you enroll, you must first decide how much you want to contribute to your account(s). This amount is called your **ANNUAL ELECTION AMOUNT**. You will want to spend some time estimating your anticipated eligible medical and/or dependent daycare expenses for your plan year. We offer a handy FSA Tax Savings Calculator on our website in our Resource Library.

QUESTIONS?

Our account managers are available to answer any questions you may have throughout the year. We strive to deliver flawless customer service to make your life easier. Whether you utilize our website, participant portal, mobile app, or call and email us, we will answer your questions promptly and with our best customer care.
